CRUISE NEWS

Queen Anne sets sail for Southampton ahead of historic maiden voyage

This is the moment Cunard's newest ship *Queen Anne* set sail for her home port of Southampton after officially joining the luxury cruise line's iconic fleet. Cunard took ownership of their stunning 3,000-guest ship during a traditional handover ceremony at the Fincantieri Marghera shipyard in Venice. Crowds joined together at the Fincantieri Marghera shipyard to wave an emotional goodbye to *Queen Anne* after five years of skilled construction in Italy. *Queen Anne*, the 249th ship to sail under the Cunard flag, will now set sail for the south coast ahead of her seven-night maiden voyage to Lisbon on 3rd May. During the sail home, Captain Inger Thorhauge and her crew will be excitedly preparing for the ship's very first guests to join the 113,000-ton Queen. Speaking at the handover ceremony, Katie McAlister, President of Cunard, said: "We are immensely proud of *Queen Anne*. Not only does she reflect the Cunard distinctive style on the outside, the inside perfectly echoes the brand heritage with reimagined, elegant spaces and designs. We can't wait to welcome guests on board for her maiden voyage on 3rd May."

MAHE, SEYCHELLES

The more than 100 Seychelles Islands are often regarded as the Garden of Eden. Here you will encounter breathtaking vistas, rugged mountains, lagoons, coral atolls, splendid beaches and secluded coves. The people here are a fusion of three continents – Africa, Asia and Europe. This has created a unique culture and you'll hear three different languages – Creole, French and English. Mahe is the largest island in the archipelago, and few capitals can claim a more beautiful backdrop than Victoria. Visit the museum, cathedral, government house, clock tower, botanical gardens and open-air market for just a taste of this jewel of the Seychelles.

CAPE TOWN, SOUTH AFRICA

Sprawling across endless, staggeringly blue coastline, and watched over by the iconic plane of Table Mountain, Cape Town is without doubt one of the world's most beautiful cities. There's no shortage of things to see and do. Kirstenbosch National Botanical Garden is a floral paradise containing more than 7,000 colourful plant species. It's incredibly beautiful and rightly named as a UNESCO World Heritage Site. You can also take a short boat journey out to Robben Island to see and learn more about Nelson Mandela's incarceration. Alternatively, simply explore Cape Town's famous V&A Waterfront before grabbing some downtime on one of the city's beautiful white-sanded beaches.

★YOUR MEDITERRANEAN HIGHLIGHTS★

CINQUE TERRE, ITALY

The five ancient fishing villages of the Cinque Terre make up a UNESCO World Heritage Site, all beautifully coloured and perched on rugged cliffs overlooking the Mediterranean Sea. Vineyards cling to steep terraces and fishing boats fill the harbours along this mesmerising six mile stretch of the Italian Riviera, The Liguria region is famous for its pesto sauce, along with all manner of seafood specialties.

RHODES, GREECE

Largest of the Greek Dodecanese islands, Rhodes importance as a maritime city rose after the death of Alexander the Great in 332BC when the navy was robust and economy thrived. Today, there are still examples of these ancient times, including the UNESCO World Heritage Old Town and the wonderfully preserved Acropolis which overlooks the town.

SORRENTO, ITALY

Sorrento's rugged cliffs line the Amalfi Coast above the topaz-hued waters, where it is possible to see Capri Island and Mount Vesuvius across the Bay of Naples. Many of the town's structures date back to Roman times, including St. Francis Monastery and the Basilica di Sant'Antonio. Nearby is Pompeii, the best-preserved ancient Roman city in the world, famously destroyed by the eruption of Mount Vesuvius in 79AD.

The World's Most Beautiful Voyage

ROL Cruise team member Olivia was lucky enough to sail the shores of Norway with Hurtigruten. Here, she shares a few of her favourite stops along the way:

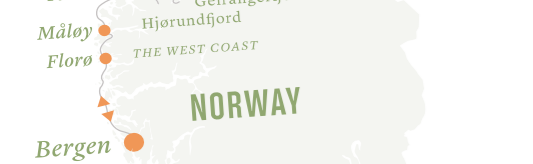

“ In the heart of Norway’s majestic fjords lies a tapestry of natural wonders that captivates the soul and ignites the imagination. As I set sail on a journey through Nordic paradise, I found myself fascinated by the pristine landscapes, charming towns and rich cultural heritage. From the tranquil shores of Stokmarknes to the vibrant cityscape of Tromsø, each destination unveiled a new layer of enchanting beauty.

My next stop was **Bodø**, a city steeped in history and surrounded by breathtaking natural beauty. Here, the rugged coastline gives way to dramatic cliffs and windswept beaches, creating a landscape of unparalleled grandeur. As I explored the wilderness beyond the city, I was greeted by the mesmerising sight of the Midnight Sun. Casting its golden glow over the rolling landscape, painting the sky with hues of pink and orange, it was a vision unlike any other.

As my journey continued southward, I arrived in **Trondheim**, a city rich in history and cultural heritage. Here, medieval cathedrals stand alongside modern architecture, creating a striking juxtaposition of the old and the new. As I explored the cobblestone streets and ancient alleyways, I was transported back in time, where legends were born, and kingdoms were forged. In Trondheim, the past and present combine in a harmonious blend of tradition and innovation.

Finally, I sailed to **Ålesund**, a coastal gem renowned for its distinctive Art Nouveau architecture and scenic beauty. Perched on a series of islands surrounded by the tranquil waters of the Norwegian Sea, Ålesund is a true masterpiece of nature and design. As I wandered through the charming streets lined with ornate buildings and colourful facades, I was enchanted by the sheer elegance and grace of this coastal paradise. From the panoramic views at the top of Aksla Mountain to the bustling harbour below, Ålesund captured me.

My journey through Norway’s enchanting land left an indelible mark. Each destination offered a glimpse into the soul of this remarkable country. As I reflect on my experiences today, I am reminded of the timeless beauty and enduring spirit of Norway, a land of endless possibilities and untold wonders awaiting discovery.

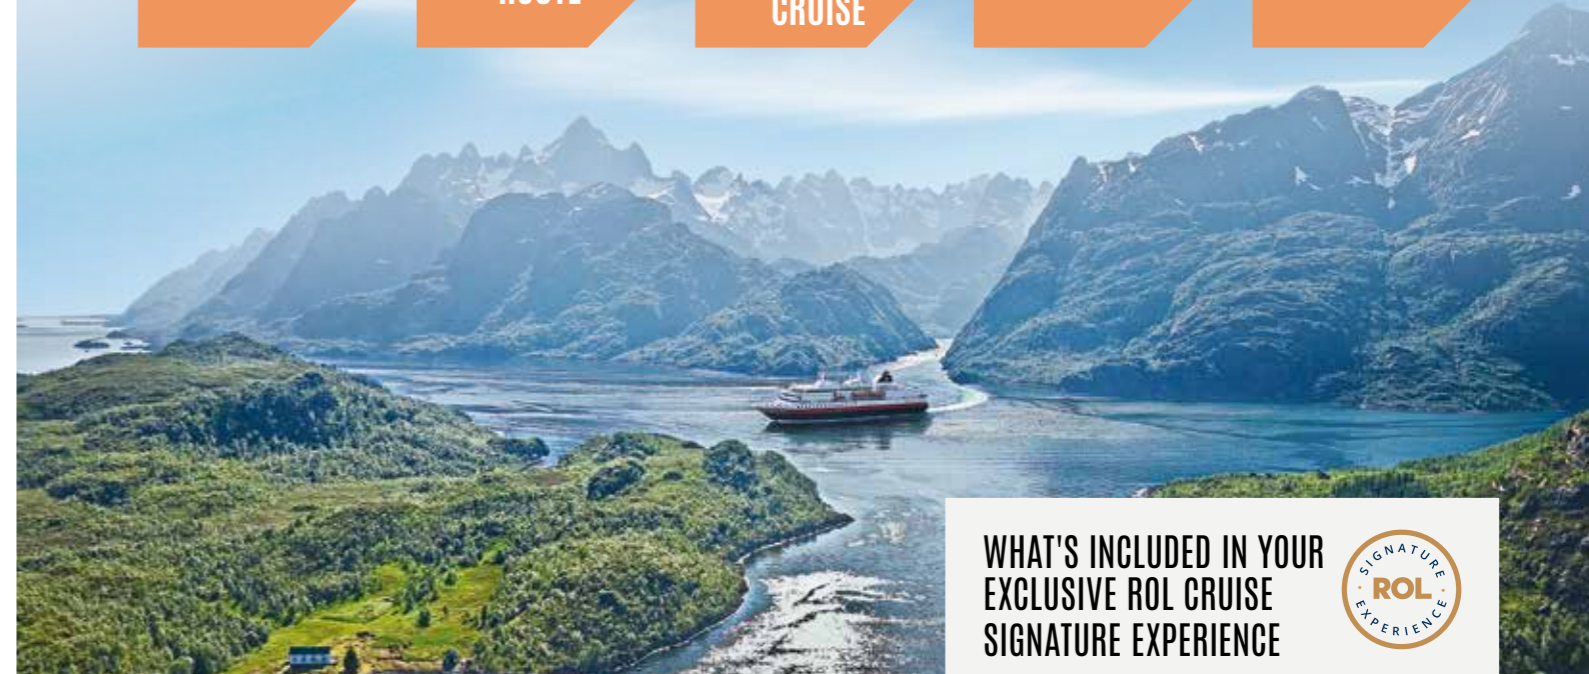

My voyage began in **Stokmarknes**, a quaint coastal town nestled amidst towering mountains and crystal-clear waters. Time seemed to slow down as I strolled along the scenic waterfront, admiring the traditional wooden houses that dotted the shoreline. As I explored the picturesque streets of Stokmarknes, I couldn’t help but consider the resilience and spirit of the local community, whose livelihoods have been intertwined with the sea for generations.

Continuing northward, I found myself in **Tromsø**, the Gateway to the Arctic. This bustling city is a vibrant hub of culture and adventure, where modernity meets tradition in perfect harmony. From the iconic Arctic Cathedral to the lively atmosphere of the harbour, Tromsø exudes an undeniable charm that both captivates and invigorates.

INTRODUCING... EMERALD KAIA

A new chapter in Emerald Cruises' journey begins with the introduction of the next-generation superyacht *Emerald Kaia*. Their third innovative, luxury yacht builds on the spectacular success of the first two, offering an intimate cruising experience, designer touches, and a sensational Marina Deck. *Emerald Kaia* truly embodies small ship cruising for a one-of-a-kind luxury cruising experience.

EXPERIENCE THE SUPERYACHT LIFESTYLE
Enjoy the luxury of even more generously-sized spaces including the Aqua Pool, the gym, and Elements Spa**, and of course the stylishly appointed suites. The spectacular Owner's Suites now feature the ultimate indulgence with a Spa Pool à deux on the private terrace.

Make the most of the days at anchor, where warm water cruising truly comes into its own. All yachts will impress with their marina toys and sense of fun but *Emerald Kaia* now includes a sleek Marina Lounge to relax and refresh after your marine adventures.

SAVOUR DELICIOUS FLAVOURS
Indulging in menus curated by talented chefs is one of the great pleasures of superyacht cruising. Working with the freshest local ingredients, their culinary team creates delicious menus, from four-course dinners with sommelier-paired wines, to delicious buffets offering healthy choices and classic favourites for breakfast.
The Sky Bar & Lounge, with its new indoor/outdoor space, will serve your favourite cocktails and bar snacks, while the Aqua Pool

& Cafe offers light meals, gelato and refreshments, to re-energise after your swim. The signature restaurant, La Cucina, has an expanded terrace for superb outdoor dining with a backdrop of panoramic vistas. As you enter the restaurant, you'll marvel at the chefs displaying impressive culinary skills at the open kitchen.

REVITALISE. RELAX. RESTORE.
Emerald Kaia's cutting-edge Wellness Deck offers the ideal blend of well-being and maritime pursuits to revitalise body, mind and soul. The gym now offers the opportunity for an open-air workout followed by an ocean dip, making staying fit infinitely more fun. And if relaxing is on your agenda, soak up the sun on the Sky Deck or pamper yourself with rejuvenating therapies, like the Klafs infrared and traditional saunas, and so much more at Elements Spa**.

Just south of the Tropic of Capricorn, Easter Island, or Rapa Nui, lies 3,790 kilometres to the west of Chile. Extraordinarily remote, this island was first inhabited by Polynesians about 1,200 years ago. The island is best known as the site of more than 600 stone statues, or moai, which stand up to nine metres in height. The statues were carved in the spectacular Rano Raraku quarry and were then believed to have been transported on wooden rollers to their destinations.

A Tree Planted for Every Booking

At ROL Cruise, we're committed to providing unforgettable travel experiences. But we also recognise our responsibility towards the planet we call home. That's why we're thrilled to announce our partnership with More Trees, a leading non-profit organisation dedicated to reforestation and environmental conservation.

WHY REFORESTATION MATTERS:

Forests are the lifeblood of our planet. They play a crucial role in mitigating climate change, purifying the air we breathe and providing habitats for countless species. Yet, deforestation threatens these vital ecosystems. By partnering with More Trees, we are taking a proactive step towards addressing this global issue.

MAKING A SUSTAINABLE IMPACT:

With this partnership, every cruise you book through us becomes a part of a broader movement for positive change. You have the power to make a difference by choosing sustainable travel options that actively support reforestation efforts. Together, we can reduce our ecological footprint and nurture a greener, more sustainable future.

OUR PLEDGE TO REFORESTATION:

For every cruise booking made with us, we'll plant a tree with the help of More Trees. This not only helps restore forests in areas affected by deforestation but also aids in offsetting the carbon footprint of cruise travel.

If you would like to learn more, please visit our website here:
www.rolcruise.co.uk/more-trees

We look forward to fighting against climate change with you, our valued customers.

Since ROL Cruise began our tree planting journey, we are delighted that with your help we have planted over 2,500 trees! This will capture an estimated 4,204.80 tonnes of future CO2 - that's equivalent to 15,573,333.333 miles in a standard car and 24,734,117.647 miles on a short haul flight.
