Welcome to Celebrity **X** Cruises®

Celebrity Cruises offers an elevated premium holiday experience with their fleet of ships travelling to nearly 300 destinations in over 70 countries across all seven continents. They uniquely combine the intimate feel and thoughtful service of small ships with the variety and excitement of larger ones, allowing you to explore the world or escape from it for a while.

As industry pioneers for 35 years, Celebrity Cruises provides experiences you won't find anywhere else, aboard ships that continually exceed industry expectations. Each ship is distinguishable by series and designed by some of the world's most renowned architects and interior designers. Their innovative Edge Series, known for its outward-facing design, will introduce **Celebrity Xcel** in November 2025. The Solstice Series is famous for unique features like the half-acre of real grass on the top deck, and the beloved Millennium Series offers a more intimate size, allowing access to destinations other ships can't reach.

With every detail elevated beyond expectations, you'll never want to holiday any other way.

Spectacular views and a relaxed atmosphere, watch the world go by with a cocktail in hand at the Sunset Bar.

ALL-INCLUSIVE WITH CELEBRITY CRUISES®

Your holiday should be effortless from the start and, with Celebrity, you can enjoy a pre-cruise concierge service, a dedicated on board team with a ratio of nearly one staff member to every two guests and dedicated room stewards. Not only this, but Celebrity has made your experience more convenient and relaxing by always including their most popular amenities. Whichever sailing you choose, you can rest assured that Celebrity Cruises® have taken care of everything. All you need to do is sit back, relax and enjoy your luxury holiday.

LUXURY ACCOMMODATION

Over 85% of Celebrity's staterooms have a balcony, offering the perfect private outdoor space to enjoy a morning cappuccino as you watch the sunrise over the ocean or pre-dinner cocktails as the sun melts into the horizon. If you're a spa enthusiast, stay in Celebrity Cruises®' AquaClass®, conveniently located by the ship's spa. Staterooms feature eXhale® bedding, plush bathrobes, slippers and towels, a personal spa concierge service, in-room fitness amenities and healthy room-service menu options. AquaClass® guests also enjoy complimentary dining at Blu restaurant, unlimited access to the SEA Thermal Suite or The Persian Garden and complimentary fitness classes.

YOUR SIGNATURE EXPERIENCE HIGHLIGHTS

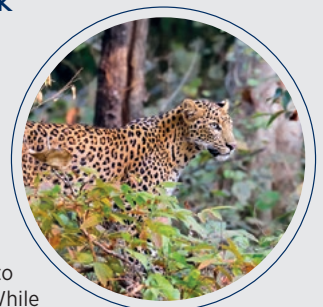

TAJ MAHAL AT SUNSET

One of the New Seven Wonders of the World, the Taj Mahal is ubiquitously recognised as one of the world's greatest landmarks and finest examples of Mughal architecture. Enjoy a once-in-a-lifetime opportunity to admire Emperor Shah Jahan's creation at sunset. The close-up detail is as exquisite as the overall architectural design, with semi-precious stones and beautiful patterns adorning the marble surface.

RANTHAMBORE NATIONAL PARK & TIGER SAFARI

Centred around the impressive 10th century Ranthambore Fort, Ranthambore National Park is scattered with old mosques, temples and hunting pavilions. The highlight of your visit will undoubtedly be the moment that you set eyes upon one of the regal Bengal tigers that live in the park – an experience that few get to have, and once had, very few forget. While on your guided safaris, look out for leopards, boars, hyenas, sloth bears and rhesus macaques too.

Celebrity Cruises[®]
Special 2025

AN INTERVIEW with CELEBRITY CRUISES PRESIDENT

In an exclusive interview with Laura Hodges Bethge, president of Celebrity Cruises, we talk customer-focused innovation and the future for Celebrity Cruises.

Last May, you took on the role of president of Celebrity Cruises. What vision do you have for the brand under your leadership, and what are the key priorities you're focusing on for the coming years?

Our ambition is to deliver the ultimate vacation experiences, responsibly. The foundation when stepping into the role was a listening tour to understand our guests and travel partners' needs to be able to exceed their expectations of what a premium vacation experience can be. Since then, we have been maniacally focused on our customer, they are truly our 'North Star'. Insights from our guests have driven customer-focused innovation for the brand.

Celebrity Cruises is known for elevating the guest experience. What recent enhancements or upcoming features can guests look forward to that make Celebrity?

One of the first changes we made as a leadership team was to optimize deployment. We made a conscious decision to shift our capacity to where our guests are telling us they want to go, positioning our *Edge Series* ships in our four key regions for the first time ever: Alaska, Europe, Caribbean, and Australia.

We have a lot going on in the Caribbean, with new, year-round, short Caribbean sailings and we began visiting Perfect Day at CocoCay back in April last year – our highest-rated destination in the Caribbean – with *Celebrity Reflection* and *Celebrity Beyond* both calling there. We expanded our Caribbean home ports; in addition to sailings from Miami, Ft. Lauderdale and Tampa, in December last year, we began sailing from Port Canaveral outside of Orlando for the first time ever.

We also have new, non-Caribbean choices for our guests wishing to experience destinations at different times than we have traditionally called, including Summer in Japan, new for 2025, and Winter in Europe.

In April last year we launched our "Nothing Comes Close" campaign, and I still get excited every time I see the creative. When I did my listening tour after becoming president, what I heard over and over again from our trade partners and guests alike is that Celebrity vacations are unparalleled, from the thoughtfulness of the crew to our on board entertainment and activities, to the way we make our guests feel. The new campaign really brings this experience to life, taking a very genuine, authentic perspective of the Celebrity Cruises vacation experience.

Travellers today have diverse and evolving expectations. How are Celebrity Cruises adapting to cater to new demographics and interests, especially among younger travellers and those looking for more personalised experiences?

Across the travel industry, generally we're seeing a tailoring of experiences towards special interest groups; passionate hobbyists looking for elevated experiences and ways to expand their knowledge, those who prioritise wellness in their everyday lives and want to ensure their holiday provides opportunities to rest and restore, and those who want to explore new interest areas and try a variety of experiences on a holiday that they might then choose to pick up when they return.

Celebrity ships offer a huge variety of activities and ways to stay, from our AquaClass staterooms that provide a fully immersive, next-level wellness experience, to the premium Spa facilities and treatment rooms, well equipped gym facilities and classes led by experienced instructors and even a running track on board.

For those with a love of fine food, wines and spirits, we offer behind the scenes restaurant tours and on board cooking classes led by experts who are also passionately obsessive enthusiasts themselves.

Our exclusive whiskey & wine tasting experiences are big hit. New partner Rabbit Hole launched on board *Celebrity Ascent* in December 2023, marking the first partnership of this kind for the Kentucky whiskey distillery. When it comes to fine wines, our exclusive tasting experiences include Shafer Vineyards, who have added their wines across our beverage menus and partnered with us on an exclusive bottling and private label – 2022 EXCELLENCE.

How is Celebrity Cruises blending ship and shore to create unique holidays that provide the best of both worlds?

At Celebrity Cruises we actively seek out ways to blur the lines between ship and shore. Our *Edge Series* ships changed the possibilities of what cruising could be. They offer truly unique spaces at sea, and innovative design features, that bring the outside world in to create a closer connection to destinations. This includes floor-to-ceiling windows in many of the common areas and Infinite Veranda staterooms that transform the entire living space into a veranda at the touch of a button.

In destination, we elevate experiences, striving to become the preferred choice for travellers not only in terms of the journey but also the destination itself. Guests can choose anything from joining a small group kayaking or RIB riding experience in the UNESCO World Heritage site in the Geirangerfjord to having a hands-on sailing lesson in the Caribbean on board St. Lucia's only 40-foot sailing yacht, to discovering the shimmering coast of Hvar, Croatia by Luxury Speed Boat.

On board our ships, we've designed experiences that complement the destinations included in the itineraries.

The menus and dishes across our wide selection of on board dining venues are inspired by, and sourced from, the places we visit, you'll explore world flavours without leaving your table.

On board experiences have also been designed to bring the destination guests are sailing into life and include World Wine Tours hosted by our knowledgeable sommeliers for an expertly guided wine tasting from six of the best wine regions around the world, showcasing our awarded wine collection at sea and workshops that allow guests to master the art of preparing sushi under the guidance of our expert sushi masters.

***Celebrity Xcel* is set to debut in 2025 and promises to bring something fresh and innovative to the fleet. Can you share what new experiences or features *Celebrity Xcel* will introduce and how it will build upon the groundbreaking design elements of the previous *Edge Series* ships?**

I am so excited for *Celebrity Xcel*, the fifth ship in our game-changing *Edge Series*. While I can't disclose too many details yet, I can reveal that *Celebrity Xcel* will introduce seven new experiences that live up to her name in every way. We've designed these with our guests in mind, offering experiences unlike any other at sea.

When we launched *Celebrity Ascent* in 2023, we brought guests more on board entertainment options than ever before, and the programming is receiving rave reviews. We've been listening carefully to guest feedback to ensure we deliver even more of what guests love on *Celebrity Xcel*.

Celebrity Xcel will make her debut in November 2025 in the Caribbean, sailing her inaugural season from Fort Lauderdale, on seven-night itineraries alternating between the Bahamas, Mexico and the Cayman Islands; and Puerto Plata, St. Thomas, and St. Maarten. The sailings are now open for booking!

Celebrity Apex® is a Forbes Travel Guide Four-Star Rated resort at sea.

HIT THE APEX

From its unique outward-facing design to the industry-first Magic Carpet® that reaches heights of 13 stories above sea level, **Celebrity Apex®** breaks from traditional ship design. Here, predictability and convention are stripped away, returning luxury sea travel to its very essence: simple, beautiful, imaginative encounters that leave you relaxed, refreshed, and inspired by the world around you.

THE FIRST-EVER “MAGIC CARPET”

The Magic Carpet is a marvel of engineering. This unique space acts as an extension of the ship’s venues and restaurants, transforming at different decks. The Magic Carpet floats along 13 stories, where expansive glass windows promise incredible ocean views. On Deck 2, Magic Carpet turns into a luxury embarkation station on the days you’re exploring in port. If you’re looking to celebrate a special occasion, a select number of guests can experience intimate “Dinner on the Edge” which takes you to the apex of the ship for fine dining al-fresco.

ENTERTAINMENT ON APEX®

Every entertaining moment is more exciting than the next. The entertainment on board **Apex®** raises the bar on vacations to even greater heights with experiences that are just as revolutionary, just as technologically mind-blowing, and just as carefully crafted as **Celebrity Apex®** itself.

CULINARY DELIGHTS

Apex® is designed to connect you to the destinations you’ll visit like never before, and one way it does that is by bringing the flavours of the world to you – right on board. Embark on an unrivalled culinary journey, with 29 distinct restaurants, bars, and lounges to choose from, including Celebrity’s brand-new Craft Social Bar. Savour new globally inspired menus crafted by our Michelin-starred chefs, featuring some delicious new dishes. You won’t find another dining experience like this at sea – or anywhere. Satisfy your appetite for exploring by booking an award-winning vacation on board **Apex®**.

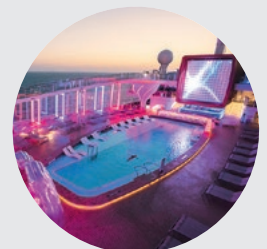

EDEN

This breathtaking venue is the epitome of **Celebrity Apex®**’s outward-facing concept and will awaken every one of your senses in an atmosphere that transforms from chillful mornings to playful afternoons to wonderful evenings.

RESORT DECK

The Resort Deck is unlike any other outdoor space at sea – or anywhere. Here, you’ll find endless ways to enjoy the outdoors and connect with the sea, including the Rooftop Garden, the adults-only Solarium pool, and the Main Pool – an asymmetrical space surrounded by an outward-facing, terraced pool deck, so while unwinding poolside, the ocean views become the main focal point.

Uncover Tokyo

With a **FREE** two night hotel stay, you'll never forget a visit to Tokyo. Capital of Japan, this is a city where you'll find centuries-old culture jostling for a position next to cutting-edge technology – a fabulous blend of history and modernity that has to be seen to be believed. Close to the Yoyogi Park is the Meiji Jingu Shrine, established in 1920 and dedicated to Emperor Meiji who helped to open Japan up to the West. At the main shrine buildings, you may show respect by bowing twice, clapping your hands twice, making a wish then bowing once more. You may be lucky enough to catch a traditional Japanese wedding procession. Be sure to share in the people of Tokyo's love of food. The city's dining scene is vibrant and cosmopolitan and has a strong culture of eating out. Though sushi is of course popular, Ramen is their passion. Before you leave, get a feel for Tokyo's natural beauty and head to Yoyogi Park, where cherry blossoms are resplendent in spring.

Customers who have Experienced the Difference on a Signature Experience

"The whole holiday was seamless. All the transfers were booked and the drivers arrived in good time. The hotels we stayed in were excellent or very good. We received timely reminders for visas, etc. Both the Alaskan cruise and Rocky Mountaineer parts of the holiday were excellent. We certainly did not go hungry. Overall, we would certainly recommend your company, having booked with you previously. You have maintained your excellent service. Thank you ROL"

Mrs Roast, Stanford-Le-Hope

"We would always choose ROL to book any future cruises. The customer care is second to none and they also guide us towards booking cruises which suit our requirements whilst being mindful of our budgets. Speaking to other cruisers whilst we are on board we have never met anyone who has had better service than we have had via ROL Cruise when booking with other cruise specialists."
